

FULL-COVERAGE HEALTH INSURANCE

Trained professionals from around the world with temporary residence title

Hi.Germany: For a stress-free start into the new chapter of your life.

We want to ensure that you have an all-round carefree stay in Germany.

Customizable insurance cover at particularly affordable premiums

Hi.Germany is our solution for employees and self-employed professionals, who come to Germany from countries outside of the EU, the EEA or Switzerland: Full-cover health insurance on particularly attractive premium conditions with terms of up to 5 years – exclusively for people with temporary residence title.

Hi.Germany can be configured flexibly as needed based on module components, offering the right solution for everyone. An online application process in English making things easier completes the solution. This is how you can get a stress-free start into the new chapter of your life in Germany!

You can sign the insurance contract online in English from anywhere in the world!

And if you stay permanently in Germany ...

... and receive a permanent residence permit, you have the right to switch to all open full-cover rates of Hallesche Insurance Corp. Regardless for how long you stay in Germany, we will find the solution that is right for you.

Finding the right solution flexibly with Hi.Germany

Whichever is important to you: Thanks to its modular design, you can compose Hi.Germany flexibly and entirely according to your personal needs. You have the choice between comfort cover (L) and an affordable basic cover (S). The same applies to dental cover, which can be added as optional cover to the insurance.

Strong protection that you can rely on

Knowing that your own health is fully covered at all times is a tremendous relief. With the Hi.Medical tariffs and the optional dental cover, you can profit from strong benefits and enjoy excellent protection all the time.
